

Concordia Academy-Roseville Financial Aid Information

Through the gifts of generous donors who believe in the importance of Christian education, Concordia Academy-Roseville is committed to assisting qualified families with tuition assistance. **The goal is that no student should be kept from a Christian education at CA due to finances.** Over 25% of the CA student body received tuition assistance in 2009-10, for a total of \$290,000 in assistance and \$2200 as the average award.

Financial aid is awarded based on family need, the number of requests received by the school, and the funds available at that time. Financial aid applications for the following academic year are available beginning in January from the Admissions Office. Parents desiring financial aid must complete a financial aid form and return it to Financial Aid Independent Review (FAIR) with the required processing fee. **Application deadlines are March 1 and May 1 for the following academic year.**

Notification of grant awards will be made within four to six weeks after the deadlines. Concordia continues to accept financial aid applications throughout the school year, but families need to know that most of the funds available are awarded after the March and May applications.

Financial aid has been generously provided by funds from individuals and the following organizations:

- Concordia Academy Legacy Endowment Fund
- Minnesota Independent School Fund
- Minnesota South District - Lutheran Church Missouri Synod
- Minnesota South District LWML
- Lutheran Community Foundation
- The LCMS Foundation

Decisions regarding financial aid are made separately from the admission process and are considered only after a student has been accepted for admission. Requirements for all grants include academic progress towards graduation, satisfactory behavior and current tuition payment by the student recipients. Financial aid grants do not require repayment.
