**Guidelines:**

1. All student-driven vehicles parked at CA-Roseville during the school day must display a CA-Roseville parking ID hanging from the rear view mirror.
2. Parking ID's may be purchased in the front office for \$20.00 each. If an ID is lost or stolen, students must purchase an additional ID.
3. Possession of a CA-Roseville parking ID does not guarantee a space in CA's lot; overflow parking is on Lovell Avenue, or in the Buddhist Temple lot, or in the **south** parking lot of King of Kings Lutheran Church. Please watch for signs indicating where to park if you park in the south lot at King of Kings.
4. CA-Roseville student drivers may use the same ID for multiple vehicles; the student bears responsibility for displaying the ID each day. Students may also purchase multiple IDs for multiple vehicles in the family for \$20.00 each.
5. Any student vehicle not displaying a CA-Roseville parking ID or parked incorrectly may be towed at the student's/owner's expense.
