Dear Potential Transfer and International Students,

Thank you for your interest in Concordia Academy-Roseville! One of the strengths of Concordia is its program of co-curricular activities; in fact, over 60% of our student body participates in inter-scholastic athletics alone.

In order to participate in Minnesota State High School League activities, students transferring from other high schools and international students transferring to a Minnesota High School must complete a Minnesota State High School League (MSHSL) Student Transfer Report. This form is printed below.

Please have the athletic director of your current school (the school you are transferring from) fill out the Student Transfer Report and return the form to Concordia Academy-Roseville along with your enrollment form, recommendation form and your transcripts. Preferably, please send the form to the AD in electronic format

According to MSHSL rules, transfer students and international students are not allowed to participate in league-sponsored events until this form is completed and returned to our school. Further information about the high school league's rules for transfer and international students can be found online at www.mshsl.org (click on "Handbook" and "300.00 Bylaws").

Please do not hesitate to contact me at 651-484-8429 ext. 113 or at mike.aurich@concordiaacademy.com if you have any additional questions.

Sincerely in Christ,

Mike Aurich
Athletic Director/Assistant Principal
