### **GUIDANCE NEWS**

The juniors received the results of the Strong Interest Inventory this week. Please ask them to bring the materials home to be discussed as a family. Also, all juniors have been given registration materials and a test prep booklet for taking the ACT this spring. The test dates are Saturday, April 9th, and Saturday, June 11th. This registration needs to be completed by the students. The registration deadlines are on the materials the students received before Christmas break.

Seniors should be finalizing plans for next fall and getting prepared to complete the FAFSA (Free Federal Financial aid Form) if you are going on to some form of post high school education. It is best to complete this form when taxes for students and parents have been prepared. The site is <http://www.fafsa.ed.gov/>. The student and one parent will need to get a pin number through this site.

Freshmen and sophomore students will be taking the EXPLORE and PLAN tests respectively on Friday, April 8th. You may check out these tests in advance by going to the ACT website: <http://www.act.org/>.
