Senior Release/Early Dismissal/Late Arrival

Early release/Late arrival is an earned privilege available to seniors at Concordia Academy-Roseville. Criteria for being allowed release are tied to the student's academic records.

Seniors must:

- Be enrolled over two semesters in a minimum of 6 credits of regular coursework (not including student service/aide positions).
- Be enrolled in coursework to meet all the graduation requirements.

Seniors requesting the release privilege:

- May request a first block release and arrive by second block or you may receive release from the building last block.
- Students who have late arrival should not arrive any earlier than 10 minutes before class. Students with early release must vacate the building within 10 minutes.
- **Must be here on time to attend Chapel on the designated days assigned for each week.**
- Must have signed permission from parent or guardian.
- Must sign the agreement below to abide by the terms of release.
- May not take any classes as independent study in order to clear the schedules.

Students may lose their release privilege if there are continued problems with attendance or academic performance.
