Viewing Student Information

Click on “School” and select “Students” in the drop down menu.

If you have more than one student, all names appear. Click on the bar with your child’s name and three tabs appear:

The screenshot shows a user interface for viewing student information. At the top, there are three tabs: 'Academic', 'Schedule', and 'Demographic'. Below the 'Academic' tab, there is a section titled 'Assignments' with a dropdown arrow. Under this section, there are 'Codes' (Exempt and Late), a search box, and several filter dropdowns (Semester, Course Semester, Course, Due Date, All) along with a 'Go' button. Below the filters is a table with columns: Name, Course, Due Date, Code, Comments, Score, and Grade. The table currently shows 'No information available'. At the bottom of this section are 'Print' and 'Print View' buttons, and the text 'Showing 0 to 0 of 0 entries'. Below the 'Assignments' section are three more sections: 'Assignments', 'Grades', and 'Standard Grades', each with a right-pointing arrow. The 'Standard Grades' section contains a table with columns: School Year, Grading Periods, Preview, and Acknowledged. The table has two rows of data. At the bottom of this section are 'Print' and 'Print View' buttons, and the text 'Showing 1 to 2 of 2 entries'.

School Year	Grading Periods	Preview	Acknowledged
