

BE THE CHANGE

GIVE YOUR TIME AS A TUTOR

In Minnesota, nearly half our students are not proficient in math.

This means too many students lack the skills needed for college or career. As a math tutor, you can help these students gain the skills they need to thrive.

Our tutors work with pairs or small groups of students between 4th and 8th grade to master fundamental math skills. No experience? No problem! Math Corps provides comprehensive training in strategies proven to help students build math skills.

QUALIFICATIONS

Great tutors come from all walks of life. Whether you're 18 or 85, your most important qualification is a desire to help children succeed! That said, it's important that you meet the following minimum qualifications by the beginning of your service:

- Be 18 years or older
- Have a high school diploma or its equivalent
- Be a citizen, national, or lawful permanent resident alien of the United States²
- Have served three or fewer terms with an AmeriCorps State or National Program

¹ Segal AmeriCorps Education Award can be used to pay tuition or repay qualified student loans. Individuals 55+ may gift their award to their child, stepchild, grandchild or foster child.

² Applicants who have received deferred action for childhood arrivals (DACA) through the U.S. Department of Homeland Security are not eligible to serve as AmeriCorps members at this time.

Minnesota Math Corps will not discriminate for or against any service member or applicant on the basis of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, familial status, disability, sexual orientation, or age. Reasonable accommodations provided upon request. This document is available in alternative formats.
