

CA Parents offset tuition by working at Target Field, Xcel Energy Center, US Bank Stadium.

Are you interested in earning extra funds to help pay for tuition? Concordia Academy has a non-profit group made up of parents just like you who are committed to their child's education. We work concessions stands at Target Field, Xcel Energy Center, US Bank Stadium and other venues. We work in a fun environment and earn a percentage of sales (tax-free) and tips, which can be directed to pay the school, church or any non-profit of your choice. You can work as few or as many games/events during the year as you like and many of us carpool to the events. Required training is provided by each venue.

If you are interested in joining the group or just have questions about how it all works and how much you can earn, please contact Doneta Johnston via email at LDDONETA@hotmail.com. She has worked at all of the venues and she would be happy to share her experience with you. This opportunity is truly a blessing for many parents who are trying to pay tuition!
